

## CONFERENCE SPONSORSHIP OPPORTUNITIES

SEPTEMBER 25-27, 2024  
FAIRBANKS, ALASKA

Museums Alaska is a statewide professional association that strengthens museums and cultural centers and enhances public understanding of their value through training, networking, information sharing, grant programs, and advocacy.

One of our most important and well-loved programs is our statewide conference. This year, we are hosting our conference from September 25–27, 2024 in Fairbanks, AK.

Help us make this year's conference a reality while putting your organization's name in front of our state's dedicated and passionate museum community by sponsoring events or purchasing a vendor table.

# SPONSOR OPPORTUNITIES

## Speed Networking - \$1,000

Back by popular demand! We will once again be providing speed networking at our conference. We premiered this event at our last conference and it was a big hit. On the first day, after the keynote, we will organize our attendees in groups for rapid-fire introductions and discussions. New attendees instantly feel more connected to the community and long-time attendees are able to quickly reconnect. We look forward to hosting this event again.

## Coffee Breaks - \$1,000 (2)

During our session days on September 26 & 27, we will host an afternoon coffee and tea break with snacks. Conferences are all about learning and networking. We love providing these fun, networking breaks to help our attendees pause and refuel for more afternoon learning.

## Sponsor a Session - \$500

The second day of our conference is all about workshops and sessions. Sessions are the core of the conference. Our sessions will cover topics like NAGPRA, building relationships with Alaska Native tribes, deaccessioning, collections management practices, planning capital campaigns, and board management—giving attendees important tips, tools and best practices to bring back to their institutions.

## Become a Conference Supporter - \$250

Align with our mission of promoting cultural preservation, education, and community engagement. By partnering with us, you will demonstrate your commitment to supporting the vibrant cultural landscape of Alaska and contributing to the professional development of museum and cultural center professionals. Help us host the most important and popular professional development event in the state!
